DEKORPANEL
Zgodba vaše hiše

Spoštovani,

pred vami je nov katalog aluminijastih dekorativnih panelov. Z novimi dizajni sledimo trendom in novim smernicam, ki jih narekuje trg. Z uporabo inovativnih materialov pa narekujemo trende.

Poleg modelov, ki so predstavljeni v katalogu pa vam lahko omogočimo izdelavo panela po vaši sliki, skici ali lastni zasnovi. Prepričani smo, da lahko za vsak dom izdelamo vrata po lastni ideji, ki predstavljajo lastnika.

Dekorpanel ustvarja zgodbo vaše hiše.

SELECTION | ALU

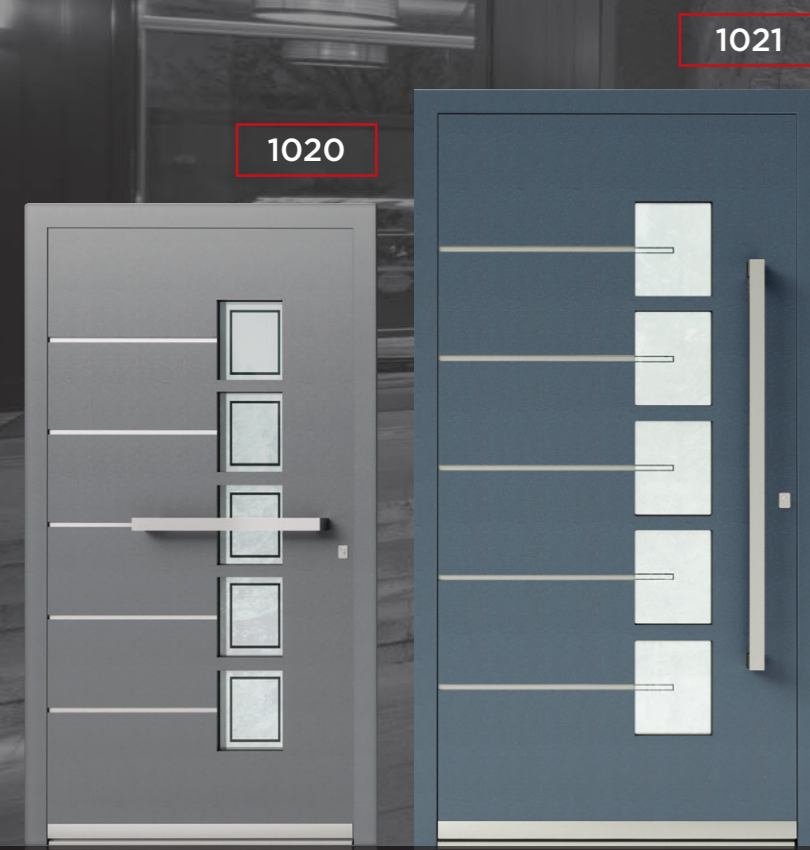

Selection paneli, so aluminijasti paneli izdelani iz obojestranske Alu pločevine, izolacije in izolacijskega stekla. Na voljo so v vseh RAL odtenkih in več lesnih dekorjih. Možna je vstavljena ali prekrivna izvedba. Paneli so izdelani iz najboljših materialov s skrbno dovršenimi detajli.

SELECTION | ALU + LES

V kolikor prisetate na tradicijo in moč, bo linija Selection les zadovoljila vaše potrebe. V osnovi gre za aluminijasta vrata, ki so "oblečena" v les. Na voljo so smreka, bor in hrast. Les daje občutek tradicije in domačnosti. Aluminij pa je material, ki po kakovosti ne razočara in poskrbi za varnost vašega doma.

SELECTION | STEKLO

01-02

Linija Selection steklo združuje prefinjene in moderne kompozicije materialov kot sta aluminij in steklo. Osnova vrat je aluminij, ki je "oblečen" s steklom. Steklo in vzorci na steklu so na voljo v vseh RAL barvah. Gre za dizajnersko dovršena vrata, ki že na prvi pogled povedo, da je lastnik hiše želel nekaj več, nekaj novega, nekaj nevsakdanjega.
